A true black cow with a flat lateral twisty horn. Measured 76.25 TTT on 3/21/23. Confirmed bred to Ragnar for a April/May calf. Bob Loomis breeding on the top side and Drag Iron and Over kill on the bottem. Should be an outstanding calf! She's easy to work with and has had a calf every year. She is one of our favorites they we are offering for the Texoma Sale. Be sure to check her out Lot #35
